

Gaia College
"Cultivating Community"

Growing Food

Find out how you too can learn to grow an abundant harvest of diverse food crops - without toxic chemicals, and right in your own garden.

This hands-on course runs April 26 - September 6, 2017 at Haliburton Farm and you will be mentored through the entire course.

Please register to join us!

Call: (250) 391-2600 ext. 4801
