

Construction Notification

Haliburton Road Phase 4—Pat Bay Hwy To Wesley Road Drainage Improvements

What's happening?

Saanich is going to be upgrading the storm drain network along Haliburton from the Pat Bay HWY to Wesley Road.

Why are we doing this?

This project is the 4th phase of a 4 phase Roadway and Drainage improvement project which fulfills key policies identified in the District's Official Community Plan.

Construction Impacts

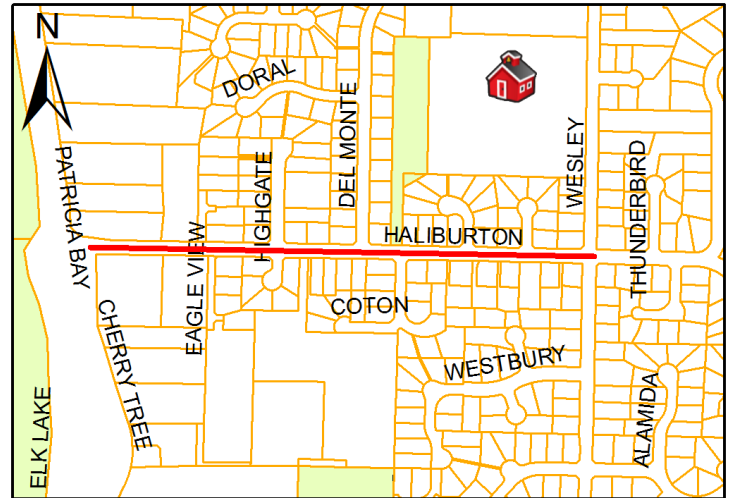

During the construction period you can expect crew and equipment to be on site between the hours of **9:00am and 3:30 pm**. Between these hours single alternating traffic will be in effect. We kindly ask you to follow the instructions of the traffic control/and or construction personnel.

Project Timeline

Construction is anticipated to begin August 2019 and is expected to be complete by October 2019.

The District of Saanich will be responsible for the restoration of the construction area and will try to minimize any inconvenience to local residents during the construction period.
